

# LANCASTER CAMERA CLUB 2018 SCAVENGER HUNT

Here's a chance to be creative as you take pictures of the subjects listed below. Before our year-end banquet on December 3rd, you will be choosing six of your pictures to display; one for each of 6 DIFFERENT subjects. These may be images you capture in your travels, or images you "set up" on location or in a studio. Here's how it goes:

- By our banquet in December, choose your best picture of six of the twelve subjects listed below; six pictures, one for each of your six chosen subjects.
- Your images must have been taken during 2018.
- Make 4" x 6" prints of your six chosen pictures. You may also have them printed as a collage.
- Mount your prints on a 16" x 20" board - any color. *Use a good stiff board* that will stand up well when on display. (See the note below.)
- Label the six images with the subjects chosen. Don't title them otherwise.
- Print your name on the rear of the poster board.
- Bring your completed project to the year-end banquet.
- You must be a Lancaster Camera Club member to enter.
- Each person attending the dinner—both members and guests—will be able to vote for what they feel is the best set of Scavenger Hunt pictures.
- Awards will be presented to those whose pictures receive the most votes.

**Note:** The night of the party, if available, bring an easel to display your picture board.
