

Cash for Cameras!

Wednesday March 21

****6:30 - 9:00 p.m.**

in the Fieldcrest Room

Brethren Village Retirement Community*

3001 Lititz Pike, Lancaster, PA 17606

Now's the time to move that old equipment! Michael DellaCroce is coming back to buy used gear—generally anything photographic: cameras and lenses from 1890 to today, expired film and darkroom equipment, but not necessarily large items, such as whole enlargers. Enlarger lenses may be of interest.

See what you can get! Come with a valid ID and your old gear, and get an offer for the items he wants to buy. Accept the offer and you get paid!

It will be first-come, first-served... starting at 6:30!

You don't need the hassle of selling your gear online, packing it up for shipment, and hoping for the best! This is simple.

During this event there will be time for discussion and a special presentation on working with LightRoom taking place in a quieter adjoining room.

This event is being brought to you by Lancaster Camera Club
